CORTIZO

CORTIZO | **MILLENNIUM WALL** SYSTEM

CORTIZO

Fixed light and door system designed for heavy foot traffic areas such as commercial premises, offices or education centres, and equipped with anti-finger trap solutions which ensure user safety. The system features excellent thermal insulation and helps streamline production and installation times thanks to its modular manufacturing.

- Solution for street-level entrances
- Easy manufacturing and installation (modular installation)
- Anti-finger trap door, conceived for heavy foot traffic areas
- High thermal and acoustic efficiency
- PAS 24 in progress
